GMAT Accepting Universities & Schools

More than 7,700 programs at 2,400 universities and organizations in 110 countries use the GMAT exam as part of the selection criteria for their programs.

To be eligible to receive GMAT scores, you must be an accredited, degree-granting institution that offers graduate-level programs in business and management.

The list below contains the universities, fellowships, and scholarship organizations that either accept or require GMAT scores for admission to their programs.

Find out more about becoming a [GMAT Score Recipient](#) to join the growing list of more than 2,400 universities and organizations below.

You may search for a specific university/institution or use the alphabet navigation to filter the list.
